

Summer 2017

WAYNE BUSINESS ASSOCIATION

PRESIDENT'S MESSAGE

Hello WBA,

I hope you enjoyed your 4th! We are halfway through 2017 and the WBA Board is working on a bunch of great events to get people into Wayne, the "Original Towne Center."

Our 25th Annual Radnor Fall Festival is right around the corner and we are looking for sponsors. I want to thank SILA and Foote Orthodontics on stepping up to the plate early as gold sponsors. If you are interested, there is more information on page 2 and 5 of this newsletter. Read it – we don't just cut and paste stock articles here! Our ad is due at the end of July for the September issue of *Main Line Today* and for *Chester County Life*. Next up is the Wayne Tree Lighting... but I am not going to talk about it because it's July...this is just subliminal.

Speaking of *Chester County Life*, they are working with the WBA in writing solid editorials about our town. Huge spreads in the magazine with great pictures! *Main Line Today* will be writing up the Radnor Fall Festival this year, which should be a great spread as well.

"Wayne Open Late?" What's that, you ask? Gloria Clawson, owner of Kids N' Kribs and new WBA Board Member, has started the conversation on Wayne businesses staying "Open Late" on Thursdays. This will be Wayne's version of First Fridays, Taco Tuesdays, etc...you get my drift. Gloria has talked to merchants in the WBOD if they would commit to staying open until 8pm every Thursday. There has been a huge, positive response. Wayne Open Late will be rolling out soon, so stay tuned. Wayne Open Late is about the merchants and their stores. It's about letting customers know that the stores are committing to staying open until 8 every Thursday (for at least 18 months). The WBA is planning to promote this event very heavily, as well as provide entertainment and activities throughout town on those Thursdays. I would like to stress that we will need a majority of merchants to commit and communicate how the promotion is going for those 18 months. Consistency is everything and we need to train the public that Wayne is committed to being open late.

Lastly, a big shout out to Ken Kearns for putting together a stellar Wayne Music Festival. Great event, great time – people can't stop talking about it! This event brings the most Wayne PR than any other. I would like to thank the Radnor Board of Commissioners, Radnor Township Police, and Radnor Public Works. We couldn't have done this without you.

That's all from me. I look forward to working with everyone to get Wayne Open Late off the ground. It's important that we all work together to promote Wayne. That's what makes this a great town.

MEMBER HAPPENINGS

COMMUNITY GARDEN CLUB

70TH ANNIVERSARY PARTY AT JENKINS ARBORETUM

In 1947, the seeds were sown, carefully tended, and nurtured. What sprouted and blossomed was a new garden club in Wayne. Seventy years later, The Community Garden Club at Wayne thrives with the distinction of being the oldest existing garden club in Wayne.

To celebrate this milestone, the Club held a 70th Anniversary Garden Party on May 12 at Jenkins Arboretum. Dr. Harold Sweetman, Executive Director of Jenkins and Honorary Member of the Club, hosted the event. More than sixty members and invited guests from Jenkins Arboretum, Wayne Woods Garden Club, and the Radnor Memorial Library gathered in a lovely floral setting decorated with beautiful flower arrangements made by some members of the Club to enjoy food, drink, and music performed by Jay Royal Chadwick. A slide show depicting club events was displayed on a continuous loop for the enjoyment of the attendees.

The Club's association with Jenkins Arboretum began in 1976 and continues with monetary support and an Arbor Day Luncheon. At the luncheon the Club honors members who have passed away during the past year with the planting of a tree in their memory. This year a magnolia tree was planted in celebration of the Club's 70th anniversary.

Sharing in the 70th celebration were Radnor Memorial Library Executive Director, Anny Laepple and Information/Adult Programming Librarian, Pam Sedor. The library has a long history with the Club, dating back to 1947 when the Club held its first meetings at the library. In recent years, the Club has co-partnered with the library on several monthly programs. Also attending were representatives from the Wayne Woods Garden Club Karen Bruno and Nancy Cuttic. The Community Garden Club at Wayne enjoys sharing programs with Wayne Woods Garden Club.

The Club traditionally donates and decorates a Christmas tree to the library for visitors to enjoy during the holiday season. With the anticipated December completion of the library's expansion, the Club looks forward to the continuation of this tradition.

Past Presidents of the Club who are still members were honored with a certificate of appreciation and a rose. Past presidents in attendance were Eleanor Parsons (1969-1970), Ann Tucker (1988-1990), Chuck Meyers (1994-1996), Terry Boyle (1998-2000), Toni DeGeorge (2004-2007), and Pegg Ewing (2009-2011). Tammy Lohman (1992-1993), Susi Holland (2007-2008), and Peter Murphy (2011-2015) were unable to attend. Eleanor Parsons was also recognized as the longest current member, having joined in 1966.

Ruth Mooney, the current President, talked about the history and objectives of the Club and the many activities undertaken by Club members. These include planting flowers at the Wayne Senior Center, maintaining a butterfly garden on the Radnor Trail, decorating Laurel Hill Mansion for Christmas, decorating a Christmas tree at the Radnor Memorial Library, and participating in the Radnor Township Memorial Day Parade. The Club has also offered scholarships to area students pursuing a degree in horticulture or related area. Educational programs are presented several times a year.

Club member, Jini Loos, informed the audience of a wider service of the Club. The unsold perennial plants from the plant sale were donated to Project HOME Shelter in Philadelphia, who planted a memorial garden in remembrance of a very recently deceased homeless woman.

WBA RIBBON CUTTING - FFG PRIVATE BUSINESS CLIENT GROUP

From attending Radnor Township schools, to being a part of a local family business – The Great American Pub – Bill Curtis is no stranger to the Wayne community. After graduating Penn State, he went right into the financial consulting industry, and coming from his background of family business, Bill quickly saw the gaps that many businesses had and weren't aware of. Because of this, Bill decided to team up with some senior partners in his firm to help businesses. After a few years in the industry, Bill joined the WBA in January 2017 with his group **FFG Private Business Client Group**, so he could start to give back to the community and offer his services to businesses for problems and needs he has seen firsthand. FFG Private Business Client Group works with small to mid-sized businesses and their owners to educate them on how to determine what the value of their business is and if they have a plan in place for the present and the future of their company. Whether that be taking care of themselves, their family, their employees, selling the business, or retirement needs (just to name a few), FFG Private Business Client Group can help you! Bill's famous line is, "Most of what we do is education; being that no business is the same, no planning should be either."
