## COMMUNITY GARDEN CLUB AT WAYNE PRESENTS THE AUTHENTIC GARDEN

**Thursday, May 5, 2016 at 6:30 p.m.**  
Radnor Memorial Library, Winsor Room  
FREE. A joint endeavor sponsored by the Radnor Memorial Library and the Community Garden Club at

Wayne. What makes a garden "authentic"? For American gardeners, this question can be vexing. Because America is a comparatively young nation, its gardeners have tended to turn to other national traditions for inspiration. The result of this stylistic borrowing may overlook local landscapes and history, and have little connection with our daily lives. Claire Sawyers, director of the Scott Arboretum at Swarthmore College, shows the five principles that help us create gardens that are both deeply rooted in their surroundings and deeply satisfying to their creators and owners.
