## BENJAMIN V. M. WILSON COMMUNITY SERVICE 2016 AWARD WINNER: CANDYCE WILSON

The Wayne Business Association and Bryn Mawr Trust Company, corporate sponsor, announce that the 15<sup>th</sup> annual Benjamin V. M. Wilson Community Service Award will be presented to **Candyce Wilson** of Wayne during the WBA Annual Meeting on April 21.

This local community service award is named in honor of Benjamin V. M. Wilson, longtime Wayne-Radnor volunteer, Wayne Business Association member, and banker, who died in 2000.

Mrs. Wilson moved to Wayne with her family in 2001. Her early volunteerism includes being an organizing founder of Virtues Summer Camp at Valley Friends Meeting in Wayne. She administered programs at Radnor ABC House, allowing students to compete for scholarships for domestic and international summer travel and recruiting host families. Mrs. Wilson has served as campaign chair for Radnor Township School Board candidates, and is currently serving as the RHS Baseball booster club secretary. In the greater region, she has served as president of the Chester County Chapter of Jack and Jill of America, and was board chair of the Mum Puppet Theater. She currently serves on the Executive Committee of the Board of Directors of the Radnor Educational Foundation, and was President of the Board for the last 3 years. An honorarium of \$500 will be presented in Mrs. Wilson's name to the local charitable organization of her choice.

The names of all the past awardees are displayed on a perpetual plaque in the Winsor Room of the Memorial Library of Radnor Township.

## COMMUNITY GARDEN CLUB AT WAYNE PRESENTS THE AUTHENTIC GARDEN

Thursday, May 5, 2016 at 6:30 p.m.

Radnor Memorial Library, Winsor Room

FREE. A joint endeavor sponsored by the Radnor Memorial Library and

the Community Garden Club at Wayne. What makes a garden "authentic"? For American gardeners, this question can be vexing. Because America is a comparatively young nation, its gardeners have tended to turn to other national traditions for inspiration. The result of this stylistic borrowing may overlook local landscapes and history, and have little connection with our daily lives. Claire Sawyers, director of the Scott Arboretum at Swarthmore College, shows the five principles that help us create gardens that are both deeply rooted in their surroundings and deeply satisfying to their creators and owners.
