## FROM THE PRESIDENT

The Holidays are quickly approaching, which doesn't seem possible with the string of amazing weather that we've been having. The streets of Wayne are still full of outside diners and shoppers well into November! This rare weather is the perfect time to enjoy all that Wayne has to offer!

We hope you had a chance to enjoy our incredibly successful Radnor Fall Festival and Wayne Trick or Treat events that recently took place in downtown Wayne. These events continue to get bigger and better each year and provide Wayne with amazing autumn exposure! This year we had more sponsors and attendees than ever – keep an eye out and sign up early next year.

Despite the fall weather, the WBA is already in the holiday spirit as we are putting the final touches on the plans for the Wayne Tree Lighting and Christmas in Wayne festivities happening Friday-Sunday, December 6-8! Hard to believe that it's less than a month away. Come experience Wayne in all its holiday glory and see which retailer has the best window display. And remember, parking is free on Saturdays during the holiday season! Can't make it? Be sure to bask in the holiday decor during our "Happy Holidays" themed Wine'd Through Wayne, happening Thursday, December 19. See page 8 for more information and a QR code to buy tickets.

There is an incredible amount of excitement around some new retailers coming to town including Free People Movement (Urban Outfitters' luxury exercise apparel brand) – taking over the corner of North Wayne Avenue at the former Wayne Jewelers space! There are even rumors of a high-end home furnishing retailer coming to the former GAP space on Lancaster Avenue, a new wine bar in the space Cowan's Flowers left, Burtons Bar and Grill taking over the former Chili's space – aaaaand an exciting new residential-retail project at the corner of Louella and Lancaster Avenues, and a residential project on the parking lot next to Boyds and more! Wayne is the place to be and continues to attract new businesses and developments to the heart of the Main Line.

Be on the lookout for our last monthly member meeting of 2024 – November 21 at Colonna Contemporary. Our membership is now at an all-time high – but we continue to add new members that are interested in getting connected with our amazing local business community.

We look forward to seeing you all around the holidays! Don't forget to stop by Main Line Print Shop to grab your WBA swag to stuff your stockings with this year.

As always, if you have ideas, suggestions, would like to get more involved, or have any questions, please do not hesitate to reach out to me or one of our board members.

Cheers!

Ken Kearns  
President  
Wayne Business Association

## SAME KIOSKS, NEW PARKING APP

ParkMobile is now the mobile payment solution in Radnor Township! Radnor drivers can now pay for parking at over 900 spaces via the ParkMobile mobile app or web browser, making it easier than ever to skip the meter and go for contactless payment.

ParkMobile is available for both iPhone and Android devices, and can also be accessed on a mobile web browser. To pay for parking via the ParkMobile app or website, users will enter the zone (parking spot) number or scan the QR code found on the signs located within the parking lot, choose the duration of time they wish to park and touch the "start parking" button.

### Ways to Pay:

- Pay by App: The full-featured app for iOS and Android provides the most complete parking experience. You can pay for parking or make a pre-paid reservation.
- Pay by Web: New lightweight mobile web experience lets you quickly pay for parking without downloading the full app.
- Pay by Text: Text "PARK" to 77223 and you will be able to quickly start a parking session.
- Google Pay: Pay with ParkMobile right in the Google Pay app. (Plus, quick links from Google Maps make it easy to navigate and start a parking session.)

Parking is enforced throughout Wayne Monday-Saturday, 8am-6pm. To learn more, visit [www.radnor.com/parkmobile](http://www.radnor.com/parkmobile).

If your Wayne business would be interested, they would love to have a nonperishable food donation box at your business from before Thanksgiving through the New Year! Congratulations to Pals For Life for 40 years of bringing pets to those who need them.

Founded in 1984, Pals For Life provides innovative animal-assisted therapy programs to local community institutions and organizations throughout the Delaware Valley. Their therapy programs provide specially trained teams of human/animal companion volunteers, participating in group programs, to promote happier, healthier, and more fulfilling lives to members of the community. They are unique from other animal-assisted therapy programs in that their teams (a human volunteer with his/her pet) visit facilities as a group, under the direction of a Program Director. Visits are always at a prearranged time and with a stated purpose and/or specifically designed programs.

We are lucky to have Pals For Life in our community and as a part of WBA. Pals For Life is located at 35 Grove Avenue, 1st Floor, Devon. Or visit their website [www.palsforlife.org](http://www.palsforlife.org) for more information.
